## IMPORTANT CAMP INFORMATION: DAY CAMPERS

We are excited to share the 16.8-acre Arnold Palmer Golf Complex on the beautiful campus of Wake Forest University with junior golfers who want to excel at the sport! Designed by Arnold Palmer Design Company as a true collegiate golf practice complex, this premier teaching facility includes a 320-yd driving range, 12 target greens, 5 putting and chipping greens, 20 sand bunkers and 5 covered hitting bays. State-of-the-art swing analysis cameras and a radar-based ball flight tracking system equip the facility with first-class capabilities for complete analysis and instruction. On the final day of your session, you will have a chance to apply your skills on a local golf course in a fun tournament style of play.

Day camp is held from 8:00am-12:00noon at the Arnold Palmer Golf Complex. Drop-off begins at 7:50am and camp begins promptly at 8:00. Day campers will have lunch at the practice center at 11:30am each day during their daily review session. Water and Gatorade are available at all times. The last day of the day camp session will be a fun skills challenge at the WF Practice Facility for day campers only and will conclude with a short awards ceremony at 11:30am. Parents are welcome to attend the awards ceremony.
